RINGO 500

- Universal unwinder for cable drums and coils

Perfect for building site

Functionality:

This universal unwinder enables to unwind cable drums and coils twisting-free at the place of processing.

- Compact design
- Dynamic roll-off brake for a steady tensile force: The breaking effect is adapted to the supported weight
- Low weight
- Small dimension
- Also suitable for damaged drums
- Maintenance-free
- Slipping-free
- Outdoor use possible

Technical data	RINGO 500
Part No.	85102215
Loading weight	max. 380 kg
Coil outer-Ø	max. 500 mm
Coil inner-Ø	min. 120 mm
Weight	approx. 7 kg
